The “Need for LEAN” Workshop Series

*A Series of Breakfast Meetings to
highlight the need for change in order
to meet global competition*

March 30, 2005

April 27, 2005

May 25, 2005

The Royal Botanical Gardens
680 Plains Road
Hamilton/Burlington

*Register early to avoid
disappointment*

Hosted by:

Ministry of Economic Development & Trade

Purpose of the Series

To provide companies with an understanding of “LEAN”, the tools, the benefits to the company and the opportunities that can be realized.

It is not intended to provide training but rather a deep appreciation of the need to take steps that will help the company to be globally competitive and increase productivity.

Why You Should Attend:

- To learn how the best companies are using “LEAN” techniques
- To learn the benefits of “LEAN”
- To learn how to change the culture in your company
- To understand the tools for making “LEAN’ work in your company

Who Should Attend:

- The President and Operational Executives and “LEAN” practitioners
